

PRINCE MISTRY

WordPress Developer

+91 6354014463 | princemistry1227@gmail.com | Vadodara, Gujarat, India | [LinkedIn](#) | [portfolio](#)

SUMMARY

Motivated and detail-oriented WordPress Developer with hands-on experience in HTML5, CSS3, PHP, and WordPress customization. Demonstrated ability to convert HTML templates into fully functional WordPress websites and build responsive layouts using Elementor. Proven capability with custom field implementations (SCF/ACF), form integrations, and theme development through personal and internship projects. Eager to contribute to real-world development environments and continue advancing WordPress and frontend development skills.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, Responsive Web Design, JavaScript (Basic)

Backend: PHP, MySQL

WordPress: WordPress Development, Elementor Page Builder, Theme Customization, Custom Header & Footer Development

Plugins & Tools: Custom Fields (SCF / ACF), Contact Form 7, WPForms

Development Tools: WAMP, Local Development Environment, Git / GitHub (Basic)

PROJECTS

Charity Website – HTML Template to WordPress Conversion — *WordPress, PHP, CSS3, SCF, WPForms, Elementor*

- Converted the Chariteam HTML template into a fully functional, production-ready WordPress website.
- Developed custom header and footer components using native WordPress theme structure and PHP.
- Implemented dynamic content management using SCF (Smart Custom Fields) for flexible data handling.
- Integrated WPForms to enable contact and inquiry form functionality with seamless user experience.
- Built and styled responsive page layouts using Elementor Page Builder and custom CSS.

Restaurant Website – WordPress + Elementor — *WordPress, Elementor, CSS3 (In Progress)*

- Recreating a modern restaurant website design from scratch using Elementor as the primary page builder.
- Developing key sections including hero banner, menu listing, gallery, and contact pages.
- Optimizing UI layout and responsiveness across mobile, tablet, and desktop screen sizes.

EXPERIENCE

Frontend Developer Intern | **Taniya Webfix Pvt Ltd** | Vadodara, Gujarat | *Jan 2025 – Apr 2025*

- Developed and maintained website UI components using HTML and CSS, contributing to live client projects.
- Performed website customization tasks and supported basic WordPress-related development activities.
- Collaborated with the development team to implement UI updates and ensure cross-browser compatibility.

EDUCATION

Diploma in Information Technology | ITM (SLS) Baroda University, Vadodara | *2022 – 2025*

Bachelor of Computer Applications (BCA) | Parul University | *Currently Pursuing (Online)*
